

Asia Pacific Superyachts

Sample Itinerary - Labuan Bajo, Island Hopping Back to Lombok

Day 1

Departure from Labuan Bajo sailing to Rinca, a small island near Komodo.

Day 2

Visit Rinca Island to see the komodo dragons, and then explore small bays for snorkeling/diving/fishing. Afternoon - Sangeang Island to see the lava ridges of this active volcanic island.

Day 3

Satonda Island – Beach stop. For the adventurous go inland and see the fascinating scenery and to walk to the Crater Lake. Evening - beach BBQ.

Day 4

Moyo Island- Multicolored fish and variety of corals. Inland, there are amazing caves to explore. Swim, snorkel, and relax on the island with possible lunch at Aman Wana Resort.

Day 5

Bungin Island – Visit traditional Sea Gypsy Villages Bajo (Village) built on coral.

Day 6

Cruise north coast of Sumbawa - visit small villages at base mount Rinjani 3700mt active volcano.

Day 7

Gili Lombok. Superb snorkeling and diving in the crystal clear waters and a reef of tropical corals and millions of multicolored fish surround it. Disembark at Benoa Bay Harbour, Bali.

Please note: Some areas are inaccessible at certain times of the year due to the seasonal monsoons. Also relocation fees may apply for charters starting in other areas than our home ports.
